OF WHAT YOU NEED

- ✓ Reach your target audience: digitally, accurately, and efficiently. Experts and decision-makers in chemical, pharmaceutical, and food technology
- ✓ Digital offerings overtake printed media in user behavior usage behavior
- ✓ B2B decision-makers spend over two hours a day online
- ✓ More than half of the B2B target group uses mobile devices to search for information
- ✓ Working from home and mobile working are boosting demand for digital specialist media
- ✓ Cross-media content in various formats

Our trade fair specials

The Pumps & Valves trade fair in Dortmund is a leading trade fair for industrial valves, pumps and valve technology. It offers a platform for experts and companies to present the latest innovations and solutions in fluid technology and to exchange ideas.

analytica

For more than five decades, Analytica has been one of the world's most renowned trade fairs in the field of innovative laboratory technology, forward-looking biotechnology, and life sciences. This important industry gathering in Munich brings together the entire spectrum of topics related to laboratories in industry and research.

SENSOR+TEST
DIE MESSTECHNIK-MESSE
The Measurement Fair

Sensor + Test in Nuremberg is a leading international trade fair for sensor, measuring and testing technology. Experts from all over the world meet here every year to present and discover the latest developments and technologies in these fields.

POWTECH  **TECHNOPHARM**

Powtech Technopharm is a major trade fair focusing on the processing and handling of powders, granules, bulk solids and liquids. It takes place every two years in Nuremberg, Germany, and attracts international trade visitors from various industries, including chemicals, pharmaceuticals, food, cosmetics and glass.

Motek is an international trade fair focusing on production and assembly automation, feeding technology, material flow, and handling technology and industrial handling. It serves as a central platform where manufacturers, suppliers, and users from all industries come together to present and discuss innovations, practical solutions, and efficient process chains.

interpack is the world's leading trade fair for packaging technology, processing, and packaging materials. It takes place every three years in Düsseldorf and is considered an international meeting place for companies from the food, beverage, confectionery, pharmaceutical, cosmetics, non-food, and industrial sectors.

Hannover Messe is one of the world's leading industrial trade fairs and an annual highlight for companies, professionals and technology enthusiasts from all over the world. This prestigious event takes place every year in Hannover, Germany, and provides a unique platform for innovation in the industry.

sps
smart production solutions

The SPS trade fair is one of the world's most important events for the automation and control technology industry. This annual trade fair attracts professionals, companies and experts from all over the world and is an important meeting place to discover the latest innovations and developments in the field of industrial automation.

The concept for success

**MORE SUCCESS FOR
YOUR BRAND**

**THREE
TOPICS**

**ONE
MEDIUM**

Chemicals

For investment decision-makers and managers in the chemical industry, including suppliers and equipment manufacturers in the sector.

Pharma

For management positions and key decision-makers in technical management in the procurement of equipment in the pharmaceutical industry.

Food

For business owners, managers, decision-makers in medium-sized medium-sized and large companies and technical management in the food industry.

Lead generation

You have to successfully spread your budget and position yourself correctly. This leads to the following questions:

- ❓ What do I want/should I achieve?
- ❓ Which media should be used?
- ❓ How do I distribute the advertising budget?
- ❓ How do you measure the success of a campaign?
- ❓ Which numbers are relevant?
- ❓ How do I reach my target group?

- | | |
|------------------------|--|
